BUILDING SAFETY CERTIFICATE

To Whom It May Concern

This is to certify that I have personally inspected the existing building and premises of **Ramesh Singh Shivmurti Public School** located at **Rohania-Varanasi** on **10.09.2026**].

The inspection was carried out in the présence of **Sri Rakesh Tiwari** **Principal/Management Representative**.

During the inspection, the following aspects were verified:

1. The foundations, structural columns, beams, and slabs show no signs of distress, structural fractures, or critical cracks.
2. The rooms, laboratories, and halls are well-ventilated and conform to safety standards.
3. The entry and exit points, including staircases and fire escapes, are adequate for emergency evacuation.

Based on the visual inspection, structural layout, and verification of construction details, it is certified that the building is structurally sound and **safe for use as an educational institution**.

This certificate is valid for a period of **5 years** from the date of issue, subject to regular maintenance.
